Dear Professor Park,

Re: IUPS Julie Chan Award

The IUPS task force for determining the *IUPS Julie Chan Award* has now finished its deliberations.

It gives me enormous pleasure to inform you that they have unanimously selected you as the winner of the award and prize money. The IUPS executive committee has ratified this decision.

You are a very deserving winner, and your contribution to mentoring is exemplary.

On behalf of the physiologists worldwide, the task force, and the IUPS executive Committee – Congratulations. A certificate will be emailed to you. Our Treasurer will contact you shortly for bank and contact details.

We will be holding an awards ceremony at the IUPS 2025 Congress in Frankfurt Germany. If you are attending the Congress, it would be lovely to congratulate you in person.

Congratulations again,

S.Wray

Susan Wray

IUPS President
